Ansal George Memorial Award

Students do not apply for this award

Terms and Conditions

This award has been established by Cambria Design Build Ltd. in memory of Ansal George, a valued employee. Ansal was a graduate of Conestoga College's post-graduate Construction Management Program (2017- Sept Batch) and did his undergraduate degree in Architecture from New Delhi, India. Ansal was a hardworking professional and he was known in the community for his friendship and dedication to his loved ones. He was a very lively and caring person who had put others before himself.

Ansal came to Canada as an international student to pursue his interest in construction management and gave a lot of credit to Conestoga and Cambria Design Built Ltd. in nurturing his passion in the field of construction. This scholarship seeks to support and encourage individuals who are respectful, dedicated, Optimistic and have the zeal to pursue their career path in construction, which Ansal has strongly believed in.
